About Us

THAKUR Steel is an idea to revolutionize lifestyle merchandise products -The company is floated by industry experts with actual experience in defining shopping spaces for more than two decades in various cities of India. The complacency and service experience is stepped up with this venture to reach and share our quality product customized to the need of business. We are manufacturer of display systems, merchandiser frames and other retail and house interior lifestyle models. Through the years of presence in the market we have developed a philosophy not to make a large profit oriented model and to rely on customer feedback and satisfaction. We care about the people because by choosing our store you are giving us a chance to change a small part of your world and we are happy to do that professionally and passionately
